

# THE ARTS SOCIETY GRANTHAM

Visit to Brodsworth Hall and Gardens, S Yorks

Tuesday 6<sup>th</sup> September 2022

## Key Features:

Brodsworth Hall and the extensive pleasure gardens were laid out in the 1860s as an up to date luxurious home for the Thelluson family and their servants. The country estate passed to English Heritage on the death of the last family owner in 1988. The Victorian Hall is renowned as the finest example of a 'conserved as found' of its kind in the UK. Access to all areas is on a free-flow basis, allowing choice and flexibility for a relaxing day away by coach. 'Liberty and Lottery' is a new exhibition which explores the family connection to the slave trade, and features wire sculptures by Carl Gabriel. Another exhibition shows the history of the estate. Depending on the availability of volunteers additional features may be open.

The usual visitor facilities include a shop, a cafeteria style tearoom serving coffee, light lunches and teas (open 10.00am) and a picnic area. See website for a plan and more details.
