

The Arts Society Grantham
THE IMPERIAL EASTER EGGS OF CARL FABERGE
A Study Morning and Lunch with TOBY FABER
Tuesday 27th March 2018: Great Ponton Village Hall

Toby Faber returns to Grantham following his enjoyable and entertaining lecture tracing the history of cover design at the publishers Faber and Faber. This study morning will encompass both the artistic creativity and ingenuity of Carl Faberge's workshop, together with a wider look at the historical context of the eggs within the Imperial Court and their subsequent fate following the Russian Revolution. Their history, like that of Russia itself, seems to have come full circle.
